ABOUT WEAVE

WEAVE is the primary provider of crisis intervention services for survivors of domestic violence and sexual assault in Sacramento County. Through a multidisciplinary effort with Sacramento County, law enforcement, the Commercially Sexually Exploited Children Court, Child Protective Services, and the District Attorney's Office, WEAVE also provides 24/7 response, outreach and services for victims of sex trafficking.

It is WEAVE's mission to build a community that does not tolerate domestic violence and sexual assault and provides survivors with the support they need to be safe and thrive. WEAVE's vision is a community free of violence and abuse. The California Brewer's Festival is proud to once again feature WEAVE as its Charity Partner for 2018. www.weaveinc.org

Foundation

ABOUT POINT WEST ROTARY CLUB FOUNDATION

Rotary of Point West – Sacramento was founded in 1985 by 30 and 40-somethings who believed having fun should be central to their community service.

That spirit continues today in a club of around 150 members whose unofficial credo — and reputation — is, "never dull."

The Point West Rotary Club Foundation is an auxiliary organization of the Rotary Club of Point West – Sacramento. With around 150 members, the club is the second largest club in Rotary International's District 5180. In 1998, the club created the foundation to help those in need in our community, as an enduring legacy to past, present, and future Point West – Sacramento Rotarians. Since being established, the Foundation has donated over \$1.1 million to over one hundred worthy charitable causes. pwrfoundation.com
